## **ENVIRONMENTAL STATEMENT**

Camtronics Vale's Senior Management is committed to reducing the impact of its activities on the environment. Our objective is to implement an 'Environmental Management System', which will be integrated with our Quality Management System – ISO9001:2008 certified. Work is ongoing and our aim is to achieve certification to ISO14001 by Feb 2011. To this aim an 'Environmental Policy Statement' has been drafted and is attached.

## **ENVIRONMENTAL POLICY STATEMENT**

Camtronics Vale Ltd is a contract electronics manufacturer offering a comprehensive high level electronic assembly service.

Camtronics Vale's Senior Management Team recognises the environmental impact of its activities and is committed to ensuring procedures are followed to prevent and minimise harm to the environment.

Camtronics Vale Ltd will maintain an Environmental Management System (EMS), as part of its business management systems, and work towards achieving accreditation to the requirements of ISO 14001. Consideration of environmental issues will be taken into account when producing our Company's aims and objectives.

We shall:

Ensure applicable legislation, codes of practice and all other requirements are complied with, exceeding minimum requirements wherever possible.

Establish realistic targets to achieve continual improvement and a reduction in environmental impact at all stages of our operations, both within the organisations immediate environment and ultimately as part of a global environmental strategy.

Take measures to prevent pollution and accidental spillage.

Ensure openness of our environmental activities with all stakeholders including employees, customers, suppliers and regulators.

Involve employees in our environmental program and raise awareness though appropriate training programmes, communications and environmental improvement programmes.

Protect the Health & Safety of the work force.
